Message From The Chairman.....

People shut their doors against the setting sun and open their windows to the rising sun. As the midnight of the last day of 2014 approached, men, women and children all over the world played the dirge of the dying year and they welcomed the New Year with revelry and merrymaking, hoping the New Year will bring peace, prosperity and happiness to the world.

However, one of the worst evils which plagues mankind today is terrorism. Forces of hell raise their ugly heads from time to time killing innocent people everywhere. No country is free from this evil. Terrorists have no religion. They are enemies of mankind. We all love to live in peace. We want to live with our heads held high and minds without fear. We want development and happiness. But we cannot translate our dreams into action when bayonets and bullets ring and roar; when little innocent school children are slaughtered in their classrooms, when bombs are exploded in crowded market places and in places of worship creating macabre sights.

As terrorism is a global problem, it is imperative that all nations come together to put down this evil. The first step in this regard would be to launch a combined programme to destroy all the breeding centers of terrorism.

I will expect everyone in Synergy family to come forward to contribute their mite to make things better in the society they live in during the New Year. I trust we can.

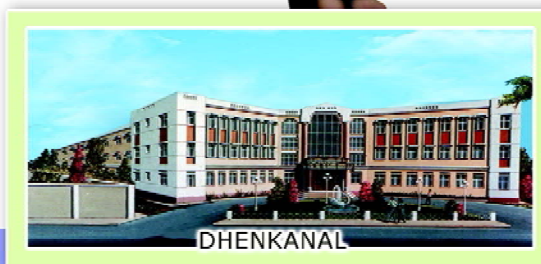

Happy New Year

(Binod Dash)

Chairman & Managing Trustee,

Seminar on “To My Dear Students” (Synergy, Bhubaneswar)

Synergy Institute of Technology, Bhubaneswar was proud to have Dr. Kiran Seth from the Department of Mechanical Engineering, IIT, Delhi. Dr. Seth acclaims many awards both in national and international arena. The seminar entitled, 'To My Dear Students', was organised by Prof. Chitrasen Jagatdeo, Dean S/W and H.O.D, English. Principal, Dr. Kapileswar Mishra welcomed and introduced the guests. Dr. Babita Mishra, a pioneer of SPIC MACAY, had accompanied Dr. Seth and she briefed about SPIC MACAY. Dr. Seth spoke about the importance of culture and heritage in the lives of engineers. This was followed by a discussion to open a Synergy Spic Macay Heritage Club. Dr. Kapileswar Mishra presented a memento to the guests and the Vote of Thanks was given by Prof. Chitrasen Jagatdeo.

Inaugural Ceremony of Departmental Journal of Civil Dept. (Synergy, Bhubaneswar)

Department of civil Engineering of Synergy Group Of Technology, Bhubaneswar conducted an inaugural ceremony for their first volume publication of departmental journal “The Craton” on 25th Oct, 2014. Our Hon'ble CMT, Mr Binod Dash along with our esteemed principal Prof.(Dr.) Kapileswar Mishra, Dean student welfare Prof.(Dr.) Chitrasen Jagatdeo and HOD, Civil Mr. Pankaj Kumar Dash inaugurated the journal and enlightened the relevance of Advanced Technology for learning purpose. The inauguration programme ended by a vote of thanks by Prof.(Dr.) Chitrasen Jagatdeo. The event was followed by a model exhibition by the students of civil department showing various civil engineering structures.

Seminar by-YES WE CAN (Synergy, Dhenkanal)

A seminar titled, “Discover your-self & the purpose of your life” was conducted by the department of Management on 30th October 2014. The speaker Mr. Sisir Sahoo, Founder “Yes We Can”, enlightened the students by his motivational guidance and made the students realise about their current life and what the life of a student should be to achieve success. Dr C.R.Deo, Principal was present there to motivate the participants. The above programme was coordinated by Mr. M.P.Sahoo and Mr. B.P.Mohapatra of Management department and Mr. Manmohana panda of Electrical department.

Seminar by -YES WE CAN (Synergy, Bhubaneswar)

Synergy Institute of Technology, Bhubaneswar was proud to have Mr. Sisir Sahoo in the campus. This eminent personality is the founder and CEO of “Yes, We Can” and is an orator, writer and a media professional. He works for the betterment of the society in all fields. The seminar was called to order by Principal, Dr. Kapileswar Mishra and the theme of the seminar was introduced by seminar coordinator Mr. Syamalendu Pati, Department of Computer Science. The Chief Guest was introduced by Ms. Rupambika Pattanaik, Lecturer, Department of English. The Chief Guest gave a motivational speech and showed many motivational videos and inspired the students to become optimistic towards life. Prof. Chitrasen Jagatdeo, Dean S/W and H.O.D, English delivered the Vote of Thanks and the seminar ended with an interactive session where all were inspired to say “Yes, We Can”.

Swachh Bharat Abiyaan at Synergy,Dhenkanal

Students and staff of Synergy, Dhenkanal are now actively involved in Swachh Bharat Abhiyan. Under the leadership of Mr. A.K. Jena, Senior Security Officer of the institute students of Synergy Institute of Engineering and Technology cleaned the garbage near the By pass near the institute on 18.10.2014. They also did cleaning work in the Mini Stadium and the surrounding area of Dhenkanal stadium; weeds around the stadium were cleaned. Students of the institute interacted with some people in the area and motivated them to take part in the drive for cleanliness in their neighborhood. A lot of garbage had accumulated in the Mini Stadium during the famous Laxmipuja where lakhs of people congregated. People of the area were impressed by the work done by the students to make the site of the Mela neat and clean. Mr. Chandrakanta Mishra, Administrative Officer of the institute has informed that the students of Synergy will continue their efforts to clean different parts of the town in the days to come.

Swachh Bharat Abiyaan at Synergy, Bhubaneswar)

Synergy Institute of Technology, Bhubaneswar held Swachh Bharat Abiyaan on 17.11.14 on the Campus. The movement was initiated by Principal, Dr. Kapileswar Mishra. Students and staffs took part in the movement to sweep away the unhygienic elements from the Campus and to make it more clean and tidy. Director, Mr. R. P Mahapatra was also there to motivate all.

Gopobandhu Jyoti at Synergy Dhenkanal

On 5.11.2014 the students and staff of Synergy Dhenkanal Welcomed Gopabandhu Jyoti in the Institute and took a pledge to dedicate themselves in the service of the less fortunate sisters and brothers of Mother India and the state of Odisha in particular. Pandit Gopabandhu Das for his contribution to the freedom struggle and dedicated service to the suffering humanity lives in the hearts of millions. Sri Madhusudan Das who accompanied the jyoti delivered an inspiring address to the students and the staff of the institution.

Rashtriya Ekta Divas (National Unity Day) Synergy Dhenkanal.

The Birth Anniversary of Sardar Ballav Bhai Patel was celebrated in Synergy Institute of Engineering & Technology, Dhenkanal on 31.10.2014 as Rashtriya Ekta Divas (National Unity Day). A huge procession of students of the institute led by Mr. A.K. Jena, Senior Security Officer of the institute marched up to the office of the Collector and took part in Swachh Bharat Programme.

Visit of NAAC Team to Synergy, Dhenkanal

NAAC Peer Team deputed by the UGC visited Synergy Institute of Engineering & Technology, Dhenkanal for 3 days (20th Nov. to 22nd Nov.). The team comprising Prof. Beela Satyanarayana, Former Vice Chancellor, Andhra University and present Vice Chancellor; Veltech University (Chairperson) Prof. S. K. Biswas of Jadavpur University and Prof. S.D. Bhide of Women's Technical College, Pune conducted inspection of different departments, hostels, computer center, placement section and other infrastructure of the institute. They also had interaction with parents/ guardians and Alumni of the institute. The NAAC team of professors inspected the different facilities available to the students like Library facilities, Computer facilities, facilities of games & sports, and the quality of food given to boarders in the hostels. They also had separate interactions with the students, teaching and non-teaching staff of the institute. Based on the recommendation of the peer team, NAAC has accredited Synergy, Dhenkanal for a period of 5 years.

Blood Donation Camp, Synergy, Dhenkanal

Under the auspices of the Red Ribbon Club of Synergy Institute of Engineering & Technology a Blood Donation Camp was organized on 01.11.2014. 110 units of blood were collected from this camp with the active support of all staffs and students of the institute.

Research & Development

Seminar/Workshop Conference Attended by the faculty(Synergy, Dhenkanal)

Lokanatha Dhallsamanta Associate Professor Electrical Engineering attended State level conference on development of Solar Industry in Odisha on 31st October, 2014.

Ellora Das Sr.Lecturer Electrical Engineering attended ISTE Workshop on Control System conducted by IIT Kharagpur 02nd Dec-12th December, 2014.

Paper Published/Presented(Synergy, Dhenkanal)

Mr. P.K. Nayak, Associate Prof., Dept. of ETC published a paper titled:A hybrid decision tree & new frequency filtering S-transform for simultaneous power signal disturbance pattern recognition in International journal of Knowledge-based & Intelligent Engineering Systems 00(2014) 1-17 1 DOI 10.3233/KES-140301.

Mr. P. K. Nayak, Associate Prof., Dept. of ETC presented a paper titled: A fast Discrete S-Transform Implementation for Parameter Estimation of Nonstationary Signals in the National conference of SOA university.

Nirjharinee Parida Sr. lecturer of computer science & Engg.published a paper titled:An artificial intelligence based multi-leader election scheme for eliminating intrusion and routing attack in MANET international journal of application or innovation in engg. & management ISSN 2319-4847, Volume 3, Issue 11,November 2014

Higher Qualification Attained by the Faculty

Mr. Prafulla Kumar parida, Sr. Lect., **Ms. Ellora Das**, Sr.Lecturer, Dept. and **Ananta Sahoo** Lecturer of Electrical Engineering completed their M.Tech degree in Industrial Power Control & Drives from Indira Gandhi Institute of Technology, Sarang .

Books Published

Mr. Prafulla Kumar Parida, Sr. Lect., Dept.of Electrical Engineering published a book on **Electrical MachineII** in JPH, Cuttack.

Training & Placement (Synergy, Dhenkanal)

In this academic year, 314 students of Synergy Institute of Engineering & Technology, Dhenkanal got placed in reputed corporate organizations like WIPRO, Concierge Technology (P) Ltd., AGI GLASPAC, JMC Projects, Chain-Sys, Unisys Global Services, etc. The following is a list of students who have been selected by different companies in the recent campus recruitment from July to September 2014.
